

Engineering greater possibilities

Ecolaire® condenser weighing
420 MT having 24,400 titanium
tubes for a CCPP in the USA.

Godrej Enterprises Group

Godrej & Boyce Mfg. Co. Ltd. (G&B), a part of the Godrej Enterprises Group, has played a key role in India's economic history by driving excellence in design and manufacturing and delivering sustainable value for its stakeholders and communities.

Godrej Enterprises Group's diverse presence - from complex engineering solutions to consumer goods like storage solutions, furniture and security solutions - positively impacts the lives of one-third of India's population every day. As a value-driven company known for its integrity and strong social conscience, it has built a compassionate corporate culture designed to empower the individuals, teams and communities that the Godrej Enterprises operates in. For this, Godrej Enterprises has been consistently recognised as one of India's most respected companies. Our focus on customers for over a century has helped us constantly innovate; design products and solutions with clarity of purpose that are manufactured in a quality-driven and technology- led environment. Strong sustainable practices that help protect the environment remain at the core of Godrej Enterprise Group's business operations.

Diverse presence in **30** industries

\$ 2.2 Bn revenues annually

Godrej Americas

Godrej Americas Inc. is a fully owned subsidiary of Godrej & Boyce Mfg. Co. Ltd., India and works in association with Godrej Process Equipment, a leading manufacturer of critical process equipment for Power, Oil & Gas, Fertilizers & Chemicals and Hydrogen sectors. Leveraging on decades of expertise in Design, Welding, Manufacturing & Quality, Godrej has delivered critical equipment to customers all over the world.

Recognized by leading international engineering consultants and trusted by customers worldwide, Godrej stands among the top manufacturers of static process equipment. Through Godrej Americas Inc., we deliver comprehensive, end-to-end solutions in Heat Exchanger auxiliaries tailored for the Power Sector - leveraging cutting-edge design technologies and globally respected brands.

90+ years legacy - Yuba®

12000+ Yuba® installations

100+ years legacy - Ecolaire®

3600+ Ecolaire® installations

Manufacturing Facility,
Dahej, Gujarat

Product Range

Yuba®

- HP / LP Feed Water Heaters
- Shell and Tube Heat Exchangers

Ecolaire®

- Surface Condensers
- Advanced Direct Contact Condensers

Nuclear Sector

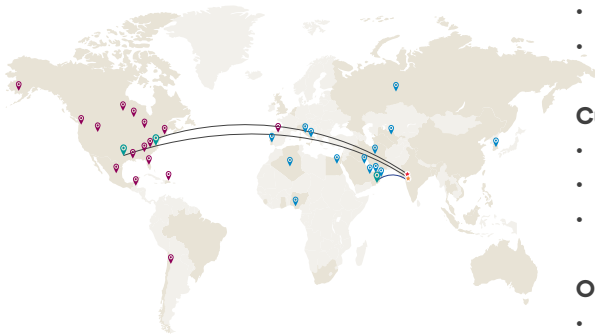

- Steam Generators
- Distillation Columns
- Hair-pin type exchangers

Custom Manufacturing

- Feed Water Heaters
- Surface Condensers
- Steam Drums

Oil & Gas, Fertilizer & Chemicals

- Heavy Walled Reactors
- High Pressure Vessels
- Distillation/Fractionating Columns/Towers
- High Pressure Heat Exchangers
- Helixchanger®
- Lummus Advanced Breech-Lock Exchanger®

- Countries served
- Head office & manufacturing plant
- Manufacturing plant
- Local representatives
- International offices
